April 24th.

Dear Mr. Weisberg,

I recently got your Frame up; I haven't yet read it so I can't comment on it. But my reason for writing you is that listed in the back as books previously written by ~~you~~ you are two I had not heard of before: Post-Mortem: Suppressed Kennedy Autopsy & Post-Mortem III: Secrets of the Kennedy Autopsy. Are these books available from you? If so please send them and bill me, or tell me how much they cost & I'll send you a check. At any rate I very much would like to read them.

My address is: Marvin Langton
1212 Ocean Ave.

Sincerely,
Marvin Langton
